

# EDUCATION (HOSTELS) REGULATIONS 2005

## Implementation Newsletter No 2

March 2006

Dear stakeholders,

By now you should have received a 'hostels' pack including a copy of the guidelines that help explain the Regulations, a seminar schedule with invitation to attend and the contact details of the Licence Authority.

Our hostels' webpage has been updated and rearranged. Stakeholders can now download a copy of the Regulations. The guidelines, frequently asked questions and newsletters are also on the webpage.

It is intended to load application forms on the webpage when they are available and also to establish a list of current licensed hostels as licences are issued. The webpage can be found on [www.minedu.govt.nz](http://www.minedu.govt.nz). You will find "Hostel Regulations" on the left hand side of the page under "Schools".

The main focus of this newsletter is on the upcoming "Hostel Application Seminars". The dates and venues have all been confirmed.

The seminars are intended to provide practical assistance and the main topics will include:

- General information about the hostel Regulations and supporting guidelines.
- The Licensing Authority Office and the application process and timelines.
- Talk through the licence application form.

Application forms will be provided at the seminar.

Please complete the registration details if you have not already done so.

### How to register:

If you wish to attend one of the licence application seminars, please **register before Friday 5 May 2006** by
